The Parting Glass

G C G D G D
Of all the money e'er I had I spent it in good company
Em C G D G D G
And all the harm ever I've done alas it was to none but me
G C G D
And all I've done for want of wit to memory now I can't recall
Em C G D G D G
So fill to me the parting glass Good night and joy be with you all

G C G D G D
Of all the comrades e'er I had They're sorry for my going away
Em C G D G D G
And all the sweethearts e'er I had They'd wish me one more day to stay
G C G D
But since it falls unto my lot that I should rise and you should not
Em C G D G D G
I gently rise and softly call Good night and joy be with you all

G C G D G D
If I had money enough to spend and leisure time to sit awhile
Em C G D G D G
There is a fair maid in this town that sorely has my heart beguiled.
G C G D
Her rosy cheeks and ruby lips I own she has my heart enthralled
Em C G D G D G
Then fill to me the parting glass Good night and joy be with you all.
